ADDITIONAL INFORMATION

Advanced students (or those Intermediate Two students given permission to take the Variation class) who attend the Southwest Committees March Seminar will have the opportunity to perform at the annual Dallas Dance Council Event---Dance for the Planet. They will learn the dance choreographed by Ms. Dayna Meixells, present it at the end of seminar showcase, attend a mandatory rehearsal at the Dance Movement and then perform at Booker T. Washington. Dancers may enjoy the dance event on their own as desired.

Dancers will be expected to rehearse the dance between the seminar and the mandatory rehearsal before the performance.

Students are responsible for their transportation to and from the event. However, we will make every effort to assist out of town students with accommodations and transportation as needed.

You will need to provide a black camisole leotard, pink tights, pink ballet shoes and black skirt. However, that may change if the choreographer has costumes in stock for you to wear.

PLEASE FILL IN THE FOLLOWING PERMISSION SLIP AND RETURN ASAP BUT NO LATER THAN THE END OF THE SEMINAR.

In advance send to cshailer@sbcglobal.net

At the seminar – look for the envelope at the Registration Desk that says Dance for the Planet Permission Slips
